Timothy Sykes	$149.95/mo	$150	Penny stock guru

KEY TAKEAWAY

Seeking Alpha Alpha Picks (+284%) is RigaCap's closest performance comp and charges $37–42/mo. RigaCap at $39/mo offers comparable returns plus features no competitor provides: 7-regime market detection, explicit sell signals with trailing stops, and an AI-powered content engine. We're competitively positioned against the best, well below the $100+/mo AI platforms.
